Y. Tapia provided a recap of the July 25, 2023 Transgender Caucus meeting. Key points from the meeting were as follows: X. Moreno-Luz and Jose Rangel-Garibay shared about their experiences at the Orange County Transgender and Gender Non-Conforming Health Summit that took place on July 28, 2023. They highlighted the importance of having translation services for the larger sessions, developing an evaluation survey, and tailoring programming to community members. They also mentioned that many participants raised questions about medical services and community resources.

J. Rangel-Garibay provided an overview of the 2023 meeting calendar.

b. Trans Health Summit

- The caucus co-chairs and Commission staff will conduct a walkthrough of the event space later this afternoon to better understand the layout for the summit sessions.
- The caucus co-chairs provided an overview of the draft summit agenda and requested feedback from attendees. The Caucus discussed having a panel session on intergenerational collaboration with a focus on celebrating joy within TGI communities. There was a brief discussion on the potential of having a workshop session for allies and the Caucus decided to consider a “Transgender Empathy” workshop instead to avoid potentially catering to the heteronormative community. See meeting packet for a copy of the document.
- The summit planning committee is developing a “Call for Abstracts” and a “Save the Date” flyers to share with the community and generate awareness for the event. Also, the planning committee is working a sponsorship letter to request funds from partner organizations.

5. Meeting Confirmation and Agenda Development for Next Meeting

The next meeting will be virtual on September 26, 2023 via WebEx. The Caucus will continue planning for the “Trans Health Summit” in November.
