Incorporation of FPPC Regulation 18730 (2 California Code of Regulations, Section 18730) by Reference

The Political Reform Act (Government Code Section 81000, *et seq.*) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. Section 18730), which contains the terms of a standard conflict of interest code. After public notice and hearing, it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730, and any amendments to it duly adopted by the Fair Political Practices Commission, are hereby incorporated by reference into the Assessor's ("Agency") Conflict of Interest Code. This regulation and the attached Appendices (or Exhibits) designating officials and employees and establishing economic disclosure categories shall constitute the conflict of interest code of this Agency.

Place of Filing of Statements of Economic Interests

All officials and employees required to submit a Statement of Economic Interests ("Statement") shall file their Statements with the Agency head; or his or her designee. The Agency shall make and retain a copy of all Statements filed by the Assessor and forward the originals of such Statement to the Executive Office of the Board of Supervisors of Los Angeles County.

The Agency shall retain the originals of Statements for all other Designated Positions named in the Agency's conflict of interest code. All retained Statements, original or copied, shall be available for public inspection and reproduction (Gov. Code Section 81008).
