

BANNER WEB

Using your student ID, Banner Web is a secure, web-based tool that allows access to all your student-related records at Xavier.

You may use Banner Web to:

- Register for classes
- Obtain access to academic records (class schedule, grades, transcripts)
- Check the status of financial aid
- See account balances
- Search for classes
- Pay fees

To Access Banner Web:

- Go to XULA.EDU/ONLINERESOURCES.
- Under Resources, click on the “Banner Web” link.
- Your Student ID number is your User ID.
- Your PIN is your 6-digit birthday. The format is MMDDYY. For example, March 5, 2002 would be PIN 030502.
- Click “Login.”
- On your first attempt at logging in, you will be prompted to change your PIN. Please create a new 6-digit PIN. Your PIN can only contain numbers. Select a random series of numbers to make it difficult for others to guess your PIN.

On your first attempt at logging in, you will be asked to create a security question. Your security question will make it easier for you to reset your PIN if you ever forget it in the future. After attempting to log into Banner Web twice, you have the option to click on the “Forgot PIN” button and answer the security question. Please note, that if you enter the wrong PIN three times, your account will be locked. At this point, you will not be able to reset your PIN by answering your security question.
