

How to create a FAIR Data Steward Token

Following are the instructions on how to generate a FAIR Data Steward Token:

1. Register to [ADWB](#).
2. Request the FDSA Data Steward user role on FAIR (email fdsa.support@alzheimersdata.org to if needed).
3. Create a Token In FAIR:
 - a. Sign in to your 'FAIR Data Services' account, where you should have the 'FDSA Data Steward' user role. Then access your user menu and choose 'My API tokens'.
 - b. Navigate to the top menu and select 'New'.
 - c. Complete the form. Under the 'Role' field, select 'Request Approval' option. Once done, click 'Create'.
 - d. Copy the generated token and paste it into the designated when adding your dataset in FDSA.
