2020 Continuing Education and Spiritual Enrichment (C&E)  
TASTE OF THE INSTITUTE  
Associate Director, Sr. Eva Marie Lumas, SSS, D.Min.

Due to the COVID-19 pandemic, all IBCS 2020 – courses and Community Life – will be conducted in real-time, online using internet-based platforms. The Taste of the Institute is a special 2020 C&E outreach to the IBCS community at-large and newcomers to the Institute, offering an exquisite variety of short cultural, spiritual and intellectual online events that reflect the richness of the Institute. An electronic flyer will be posted featuring the Taste offerings for each week of the Institute. To participate, attendees must register and use the respective link provided to securely join the event(s) selected. This program is currently in development - check the IBCS website frequently for more information and registration instructions.
